Field Updates

Two new fields have been added to the SID EOY 2005 submission by the Michigan Department of Education because of legislative requirements. Add the two new fields to your EOY 2005 SID Data Field Descriptions.

Field 42: Alternative Schools – Suspended and Expelled Students

Field 42 will collect data regarding existing alternative education schools that may be open for students who have been suspended or expelled from a school.

As stated in MCL 380.1310 (2): "The office for safe schools in the department shall compile information on and catalog existing alternative education programs or schools and nonpublic schools that may be open to enrollment of individuals expelled under this section and pursuant to section 1311(2) or 1311a, and shall periodically distribute this information to school districts for distribution to expelled individuals."

Field 43: Students Who Are Victims of Violent Criminal Offenses.

Field 43 will indicate the number of students who have been victims of violent criminal offenses and have requested, in writing, a transfer to a safe school.

As used in the Michigan Statewide Safe School Choice Policy, "violent criminal offense" means an act that constitutes criminal sexual conduct as defined by the Revised School Code, constituting a felony violation of MCL 750.81 to 750.90g, or that constitutes an assault and infliction of serious aggravated injury under MCL 750.81a.

Definition: Indicate the number of students who have been victims of violent criminal offenses at school. A student shall be considered to be a victim of a violent criminal offense when the student or his or her parent or legal guardian has made an official written complaint to law enforcement officials and to school officials of the student's resident district that the student has been the victim of a violent criminal offense that occurred at school.

The written complaint to school officials and law enforcement officials is sufficient. The complaint need not be investigated by a law enforcement agency to be counted. (The pupil or his or her parent or legal guardian should provide school officials with the date the alleged incident occurred and the law enforcement agency's complaint or incident number.)

As used in the Michigan Statewide Safe School Choice Policy, "violent criminal offense" means an act that constitutes criminal sexual conduct as defined by MCL 750.520b, 750.520c, 750.520d, 750.520e or 750.520g, or other serious assault, constituting a felony violation of MCL 750.81 to 750.90g, or that constitutes an assault and infliction of serious or aggravated injury under MCL 750.81a.

"At school" means in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event, whether or not it is held on school premises.

In the event an act or transaction has multiple complainants (victims), the act should be counted only once. In the event that a pupil is the complainant of multiple acts that are not part of the same transaction, each act must be counted.
